Ruth Culver Community Library

A committee is currently exploring options and making plans for the library's future home at 540 Water St. The Ruth Culver Community Library will be a wonderful asset to the community with beautiful views of the Wisconsin River. A community presentation is tentatively scheduled for November to share the draft plans and get feedback from community members. A capital campaign to raise funds for the project has not yet begun, but donations are welcome. Anyone wishing to make a contribution or to assist with the fundraising efforts should contact Jennifer at 643-8318.

Share Your Story

Many of our library customers have a tale to tell. Is there a special way the library affected your life? A library service or a resource that made a

difference? Friendly help—just when you needed it most? Our South Central Library

System members are gathering these unique stories for a special campaign....will you share yours?

Participate in the "Libraries...For Real Life" campaign by sharing your story. You can pick up a form to share a story at the library or you can share your story online at www.librariesforreallife.org. We'd love to hear from you!
